

## **Discovery of Ballot Error**

The Cheboygan County Clerk is making voters aware of an error in the heading of the Local School District, Board Member, Cheboygan Area School District candidates on the November 5, 2024 ballot. “Despite multiple rounds of proofreading, the heading contains an error, and no was caught it until now” said Cheboygan County Clerk Karen L. Brewster. The error involves the term of office, which should read “4 Year Term” and not “6 Year Term”. She apologizes to voters for the confusion and indicated that any Cheboygan County voter that has already turned in their absentee ballot and wishes to change their vote can do so at their Township/City Clerk’s Office by submitting a written request until 5:00 P.M. Friday, October 25, 2024.
