FOR IMMEDIATE RELEASE

November 13, 2024

City of Cheboygan Completes Paving of S Huron, Ball, Bailey, and S Cuyler Streets Ahead of Schedule

The City of Cheboygan is pleased to announce that the paving work on S Huron Street, Ball Street, Bailey Street, and S Cuyler Street has been successfully completed two days ahead of the scheduled November 15th deadline.

The project, aimed at improving road quality and enhancing overall safety for residents and visitors, is part of the City's ongoing water and sewer infrastructure improvement initiatives. By working diligently to complete the paving ahead of time, potential disruptions for drivers and residents are minimized.

While the primary paving has been finished, contractors will return in the spring to complete landscaping and address any punch list items that arise during the winter months. This follow-up work ensures that final touches are applied to enhance the aesthetics and durability of the newly paved areas.

For more information, please contact the City of Cheboygan at (231) 627-9931 or visit our website at www.cheboygan.org.

MISSION STATEMENT

The Mission of the City of Cheboygan is to promote economic opportunity and enhance quality of life through innovative commitment of human and natural resources with continued planning, financial allocation, and implementation of goals by responsive staff, and elected and appointed officials.
