

The CITY REVIEW

FALL CLEAN UP TIME.

Again this Fall, the City's Department of Public Works will provide free pick-up service for yard rakings, brush, small tree limbs, etc. The dates for the clean-up are **October 23rd through November 3rd**. Refuse must be out by 7:00 a.m. October 23rd on the **edge of all streets**, **[not in alleys, ditches or on grassy areas]** as trucks will begin area pick-up at 7:00 a.m. We ask your cooperation in separating your leaves into one pile and your brush & small tree limbs into another. This makes the pick-up and disposal process much more expeditious for our crew. If the same are not separated, the City cannot guarantee their pick-up. Also, remember your refuse must be placed on the edge of the street, not in ditches or on grassy areas. **DO NOT USE BAGS OF ANY TYPE.** The City cannot and will not accept garbage, household trash, appliances of any type, tin, metal or items too heavy for one man lift.

If you have any questions, please contact the DPW at 627-2493 between 7:00 a.m. and 3:30 p.m.

CITY OF CHEBOYGAN

"Let Water Run and Water Service Freezing Policy"

Effective October 25, 2005

The City of Cheboygan shall allow a "Let Water Run Credit" for those water/sewer customers who properly notify the City that they will be running their water over the winter months to avoid freeze-ups of their water service. Proper notification shall be in writing to the water/sewer billing department. The City shall keep a record of the yearly lists subject to the City's "Records Retention Policy."

In the event that a customer experiences a freeze-up of service that must be thawed by the City, the customer shall then notify the water/sewer billing department, in writing, that they will let their water run to avoid future freeze-ups. The City water/sewer department will then add the customer to the City "Let Water Run List".

If the water service freezes between the water main and the "curb stop" or outside the water meter pit, the City shall correct the situation at its sole expense. If the meter freezes, the City shall thaw the service one time, any subsequent thawing shall be at a rate of \$40.00 per occasion and added to the customer's next water/sewer billing. If water service freezes on the building side of the "curb stop" or outside the meter pit, the City will have no responsibility in the matter. The City may assist on a labor,

equipment, material and overhead basis if the customer agrees to pay the total expense.

The water/sewer billing clerk shall issue a "Let Water Run Credit" for all customers on the City "Let Water Run List" on the next billing that is based on an **actual reading** of the customer's water meter. The amount of the credit will be based on the **previous year actual meter read** billed amount.

The City of Cheboygan reserves the right at any time, to modify, revise, amend, terminate or otherwise change the City's Let Water Run and Water Service Freezing Policy.

VACANCY EXISTS ON ZONING BOARD OF APPEALS

A vacancy currently exists on the City's Zoning Board of Appeals. The Board considers requests for exceptions to zoning rules and also hears appeals, called zoning variances, with regards to the decision of the Zoning Administrator. Appeals of the Zoning Administrator could take the form of Ordinance interpretation. The Board also hears requests, where persons who can establish that a hardship or extraordinary circumstance exists with regards to the property under questions may be granted a variance with regards to size and setback requirements and may also receive zoning variances for use issues.

If you are interested in serving on the Zoning Board of Appeals, please contact Scott E. McNeil, City Manager at 627-9931 or stop in at City Hall.

City Conducts Planning Aimed to Improve Sidewalks

They are also reviewing methods of financing a City-wide sidewalk rehabilitation program and developing a recommendation for the same by the end of 2006 for City Council consideration.

**INSPECT YOUR
MAILBOX
BEFORE WINTER**

Winter is fast approaching. Have you inspected the condition of your mailbox and post it is mounted on? Boxes eventually become loose and/or rusted and are easily displaced from snow being thrown. Even wolmanized posts can become soft and rot.

Check your post for knots. Impact near a knot will split a post easily. Keep the area around your mailbox clear of snow. Remove decorative, oversized and plastic mailboxes during the snow removal season. These types of mailboxes do not tolerate impact from snow and will not be replaced in kind.

If a City of Cheboygan DPW snow plow truck hits and destroys a mailbox, the City will provide a new standard mailbox. However, if a mailbox is damaged by snow being pushed or thrown, and not by the truck itself, the City of Cheboygan will not replace the mailbox.

If you have any questions or concerns, please contact David LaCross, DPW Superintendent at 627-2493 between the hours of 7:00 a.m. and 3:30 p.m., Monday-Friday.

SNOW & ICE REMOVAL FROM SIDEWALK REQUIRED

The owners of any property in certain areas are required by City Ordinance to keep sidewalks clear of snow and ice. The areas which are included in the snow & ice removal Ordinance are listed as follows:

- Huron Street from Mackinaw Avenue to Locust Street
- Main Street from First Street to the South City Limits
- Water Street from State Street to Elm Street
- Mackinaw Avenue from Clinton Street to Main Street
- State Street from Huron Street to "F" Street
- Backus Street from Huron Street to Main Street
- Division Street from Dresser Street to Water Street
- Elm Street from Huron Street to Water Street
- Pine Street from Huron Street to Main Street
- Locust Street from Huron Street to Main Street

These sidewalks have been identified as high foot traffic areas and, as such, removal of snow & ice is required by Ordinance in order to insure public safety and limit property owner and public liability. The City of Cheboygan does provide snow removal services within this area, but this does not dismiss the requirement of the property owner to be sure that the sidewalk is clear in the event that the City is unable to keep the sidewalks clear in a timely manner. The snow & ice removal Ordinance provides for fines in the event a property owner is in non-compliance and also provides for exceptions to these provisions with regards to property which is leased. **DO NOT PILE SNOW IN RIGHT-OF-WAY, ON SIDEWALKS OR IN BERM AREA (BETWEEN CURB & SIDEWALK).**

For more information regarding the snow & ice removal Ordinance, you may call the Department of Public Safety at 627-4321, visit the City of Cheboygan's web site or stop at City Hall to obtain a copy of the Ordinance.
