2010 Water Main Improvement Project

Construction will begin this summer on the 2010 Water Main Improvement Project to address water quality complaints and water main breaks. The project areas include replacing water mains as follows: North Main Street between Mackinaw Avenue and Lake Street; Duncan Avenue between Eastern Avenue and Marina Drive; Harrison Avenue between Eastern Avenue and Marina Drive; North C Street between East State Street and East First Street; North D Street between Fourth Street and Second Street; North E Street between E. State Street and Third Street; South E Street between East State Street and Sixth Street; East First Street between Coast Guard Drive and Duncan Avenue; Third Street between North B Street and Duncan Avenue; and West State Street between Main Street and North Ball Street. The project also includes disconnecting an old River crossing on East First Street between North B Street and Duncan Avenue; disconnect services from an old 4”-diameter cast iron water main & connect to a new 12” plastic main; abandon a 6” cast iron water main on West State Street between the former railroad track and Ball Street & reconnect services to new water main; and abandon a 4” cast iron water main on South F Street between Abbott Street and East State Street and reconnect services to new water main. [Of interest, the current water mains date back to 1881 – 1947]. Wade Trim, Gaylord, is the engineer on the project. The project is made possible through a 40-year low-interest loan from the United States Department of Agriculture Rural Development Program and an increase in water utility rates effective July 1, 2010. [see article below]

The City asks for and appreciates your patience during this project as it strives to improve the water quality to all its customers. If you have any questions, please contact the Interim City Manager, at 627-9931.

Water Rate Increases on July 1, 2010

The City Council recently approved water utility rate increases effective July 1, 2010. The current rate for 1,000 gallons (1 unit) is \$3.43; the new rate will be \$4.71. This increase does not affect the sewer portion of the utility bill.

This increase was necessary in order to move forward with the 2010 Water Main Improvement Project.

Grass & Weed Notice

Property owners, residential & business, are required to cut the right-of-way (berm area), as well as their personal property. City crews are mowing private properties that are in violation of the City Ordinance. The minimum charge is \$160/per hour and will be placed on property taxes levied in July. Also, the property owner can be cited for the violation.

A MESSAGE TO BUSINESS OWNERS ON PERSONAL PROPERTY TAXES

The City Treasurer’s Office reminds business owners that personal property taxes are levied in July and December of each year. [This is the tax on the furniture, equipment, etc. used in your business.] If you do not receive both your July & December personal property tax bills, contact the City Treasurer’s Office at 627-9931.

City Summer Property Taxes

The City of Cheboygan summer tax bill (July) is due without penalty no later than August 2nd and is payable at the City Hall. Effective July 2010, the school taxes are now billed on the summer tax bill; they were previously billed on December 1 on the winter tax bill. This will raise your summer tax bill and lower your winter tax bill.

Public Notice

Any citizen having experienced an overflow or backup of a sewage disposal or storm water system must file a written claim with the City of Cheboygan within 45 days after the discovery or in the exercise of reasonable diligence should have been discovered. Failure to provide the required notice to the Interim City Manager, 403 N. Huron St., PO Box 39, Cheboygan, MI 49721 will prevent recovery of damages.

NOTICE:

The City of Cheboygan does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs or activities. The City will provide necessary reasonable auxiliary aids and services to individuals desiring to attend City hearings or meetings. Three weeks advance notice is requested. Please call the City Clerk at (231) 627-9931 for more information.

UNDERSTANDING YOUR WATER/SEWER BILL

Codes: WA=Water; SI=Sewer; FS=Flat Sewer; WO=Out of Town Water; A=Actual Meter Read; E=Estimated Meter Read
Bills are sent out quarterly; two bills have actual meter reads – the other two bills are estimated on past actual usage since meters cannot be read during the winter months.

Questions? Call 627-3592.

SECOND METER READ REQUESTS

When a water/sewer bill is questioned and a second meter read is requested, there will be no charge. If an error is discovered it will be corrected by the City staff. If there is no error, the customer will be required to pay the original bill. During the next 24-month period, if a second read is requested and there is no error, the customer will then be liable for a \$10.00 charge.

Do's & Don'ts EXPERIENCING A WATER/SEWER PROBLEM???

Call the City at 627-2582 first before calling your plumber to find out whether or not your problem is the responsibility of the City. If you call your plumber first, the City will not be responsible for any costs.

Thank you.

A FEW WORDS ABOUT SIGNS & INOPERABLE VEHICLES

With the arrival of summer come new businesses and business ventures. With those comes the need for signs. With signs comes the need for permits from the City of Cheboygan under Chapter 152 of the City Ordinances titled "Signs." In short, this states that all new businesses and/or existing businesses adding new signs or changing existing signs are required to obtain sign permits at City Hall. This includes, but is not limited to, temporary signs, permanent signs, ground signs, wall signs, window signs, etc and also includes banners.

The City of Cheboygan Nuisance Ordinance and Sign Ordinance prohibit the erection of any type of signs or banners within any portion of a public right-of-way and prohibit the posting of signs on any power or telephone poles or off-premise postings. Persons wishing to advertise garage sales should do so through the local media and with a sign posted on their private property or on another person's private property with written permission. Yard or garage sales are not permitted for longer than seven (7) days in any 90-day period.

Persons are also reminded that City Ordinances prohibit unlicensed, uninsured, inoperable motor vehicles from being stored on property within the City of Cheboygan.

Please

The Department of Public Works asks that you not place leaves, branches, yard clippings, etc. on the streets until the City clean-up in the late Fall. The date will be announced in early October. The City needs to have the streets clear in order to operate street-sweeping machinery. If you have any questions, please contact Steven F. Gall, Sr., Director, Department of Public Works, at 627-2582.

PERMITS REQUIRED FOR WORK IN STREET RIGHTS-OF-WAY

Anyone planning to perform any type of work within a City street right-of-way **must** secure a Permit from the City of Cheboygan's Department of Public Works. Work requiring a Permit within a street right-of-way includes patch work, culvert installation, curb, sidewalk or driveway repair, tree or shrub planting or any other type of work within the street right-of-way. Please contact Steven F. Gall, Sr., Director, Department of Public Works, at 627-2592, if you plan work in the street right-of-way or have questions concerning street rights-of-way.
