

The CITY REVIEW

Water Main Improvement Project

Construction has begun this summer on the Water Main Improvement Project to improve water quality and system reliability. The project areas include replacing water mains as follows: North Main Street between Mackinaw Avenue and Lake Street; Duncan Avenue between Eastern Avenue and Marina Drive; Harrison Avenue between Eastern Avenue and Marina Drive; North C Street between East State Street and East First Street; North D Street between Fourth Street and Second Street; North E Street between E. State Street and Third Street; South E Street between East State Street and Sixth Street; East First Street between Coast Guard Drive and Duncan Avenue; Third Street between North B Street and Duncan Avenue; West State Street between Main Street and North Ball Street; West Seymour Street between Huron Street and Cuyler Street; Backus Street between North Main Street and Dresser Street; Water Street between West State Street and Division Street; Division Street between Main Street and Water Street; and West State Street between Main Street and Water Street. The project also includes disconnecting an old River crossing on East First Street between North B Street and Duncan Avenue; disconnect services from an old 4"-diameter cast iron water main & connect to a new 12" plastic main; abandon a 6" cast iron water main on West State Street between the former railroad track and Ball Street & reconnect services to new water main; abandon a 4" cast iron water main on South F Street between Abbott Street and East State Street and reconnect services to new water main; and abandon a 4" cast iron water main on Lafayette Avenue between East State Street to the end. The current water mains date back to 1881 – 1947. The project is made possible through a 40-year low-interest loan from the United States Department of Agriculture Rural Development Program and an increase in water utility rates effective July 1, 2010.

If you have any questions, please contact Steven F. Gall, Sr., Director, Department of Public Works at 627-2582.

City Marina Information

The Cheboygan City Marina consists of over 800' of broadside dockage at two dock sites on the west side of the Cheboygan River just south of the State Street Drawbridge. Interested boaters may make reservations for overnight docking through the D.N.R. web site at midnreservations.com or by simply tying up along the Marina wall and a dock attendant will stop by morning, noon and early evening to register guest and provide restroom and shower combinations and answer any questions guests may have.

The Cheboygan City Marina provides restroom and shower facilities along with water and power hook-ups for registered boaters. Fuel and pump out facilities are available at the County Marina at the mouth of the Cheboygan River and the Straits of Mackinac. Interested parties may contact the City of Cheboygan for more information at the City Hall at 231-627-9931; Cheboygan Public Safety at 231-627-4321; or Parks and Recreation at 231-627-2151.

For more information on Downtown Cheboygan or the upcoming events, please contact Kirsten Guenther, Downtown Enhancement Administrator, 627-9931.

DPW/WATER/SEWER INFORMATION

Public Notice

Any citizen having experienced an overflow or backup of a sewage disposal or storm water system must file a written claim with the City of Cheboygan within 45 days after the discovery or in the exercise of reasonable diligence should have been discovered. Failure to provide the required notice to the Interim City Manager, 403 N. Huron St., PO Box 39, Cheboygan, MI 49721 will prevent recovery of damages.

WATER SHUT-OFF INFORMATION

Customers who have their water shut off and have to have Department of Public Works personnel restore service will be charged a \$40.00 Turn On Fee. This will include seasonal customers, non-payment customers and anyone discontinuing service for a period of 30 days or more.

UNDERSTANDING YOUR WATER/SEWER BILL

Codes: WA=Water; SI=Sewer; FS=Flat Sewer; WO=Out of Town Water; A=Actual Meter Read; E=Estimated Meter Read
Bills are sent out quarterly; two bills have actual meter reads – the other two bills are estimated on past actual usage since meters cannot be read during the winter months.

Questions? Call 627-3592.

WATER/SEWER EMERGENCIES

If you experience a water or sewer emergency during normal business hours, please call 627-2582. Should you experience a water or sewer emergency after normal business hours or on a weekend or holiday, the City staff is committed to providing emergency response. To provide that response, you may dial 290-2900 to reach an employee of the Department of Public Works. Please remember that this system is for emergency situations, not for general information that can be obtained during normal working hours.

Please help us keep this system up and operating for the benefit of the entire City of Cheboygan.

Do's & Don'ts

EXPERIENCING A WATER/SEWER PROBLEM???

Call the City at 627-2582 first before calling your plumber to find out whether or not your problem is the responsibility of the City. If you call your plumber first, the City will not be responsible for any costs.

Thank you.

The Department of Public Works asks that you not place leaves, branches, yard clippings, etc. on the streets until the City clean-up in the late Fall. The date will be announced in early October. The City needs to have the streets clear in order to operate street-sweeping machinery.

PERMITS REQUIRED FOR WORK IN STREET RIGHTS-OF-WAY

Anyone planning to perform any type of work within a City street right-of-way must secure a Permit from the City of Cheboygan's Department of Public Works. Work requiring a Permit within a street right-of-way includes patch work, culvert installation, curb, sidewalk or driveway repair, tree or shrub planting or any other type of work within the street right-of-way. Please contact Steven F. Gall, Sr., Director, Department of Public Works, at 627-2592, if you plan work in the street right-of-way or have questions concerning street rights-of-way.

RENTAL PROPERTIES

Owners of rental properties are reminded to notify the billing staff at 627-3592 whenever there is a change in tenants. A meter read needs to be done in order to calculate a "final bill". Also, in order for the water/sewer bill to be in the tenant's name, a \$100 deposit is required by the tenant pursuant to policy set by the City Council. Otherwise the billing stays in the owner's name. Deposit money is kept in a separate account to be used on the final bill or returned if nothing is owed.

SEASONAL REMINDERS FROM THE DEPARTMENT OF PUBLIC SAFETY

ROLLER BLADING, SKATE BOARDING & BICYCLING

Use of skateboards, roller blades, and other toy wheeled devices is prohibited on City streets and sidewalks under Section 3.4 and 6.18 of the Uniform Traffic Code, particularly in downtown areas, where posted. **Roller blading and skate boarding are permitted** in the Skate Park located at the north end of the Ice Rink/Pavilion on Cleveland Avenue & the City-owned parking lot at the corner of Division and Huron Streets after 5:30 p.m. or when the parking lot is empty. Children are permitted to use bicycles, roller blades, skateboards, etc. on the sidewalks in their residential neighborhoods; however, they are advised to yield to pedestrian foot traffic. Bicycles are prohibited on downtown sidewalks where posted.

Motorized scooters, mini bikes and mini choppers are not allowed to operate on sidewalks.

Mini choppers and other motorized bikes require a moped registration and a driver's license or a special moped operator's license (must be at least 15 years of age) to operate on streets if equipped with a headlamp, taillight and horn. Operators under 19 years of age must wear a helmet. 

ANIMAL CONTROL

Chapter 90, Sections 90.08 and 90.25 of the City Ordinance require that all persons **walk their dogs on leashes** and have them under control and that they clean up all manure deposited or accumulated upon any street, sidewalk, gutter, alley or private property.

SWIMMING

City Ordinance **prohibits** swimming and/or diving into the lower Cheboygan River from the DNR locks and dam north to the mouth of the River at the Straits of Mackinac. 

INOPERABLE MOTOR VEHICLES

Chapter 94, Section 94.02 of the City Ordinance requires that all unlicensed, uninsured and/or inoperable motor vehicles be removed from private properties within the City or stored inside garages.

BURNING PERMITS

All property owners, whether business or residential, are **required to obtain** a burning permit from the City of Cheboygan before open burning of any type is permitted. This includes small piles of brush, grass or leaves. Burning in burning barrels is also restricted and persons wishing to do so must obtain permission through the Cheboygan Department of Public Safety/Police or Fire Division (627-4321). Fines for violation of this Ordinance can amount to \$500.00 or more. **NO BURNING IF STATEWIDE BURNING BAN IS TEMPORARILY ENVOKED.**
