

The CITY REVIEW

SPRING CLEAN UP TIME.

Starting on April 28, 2014 and ending May 9, 2014, the City's Street Department will provide free pick-up service for yard rakings, brush, and small tree limbs (hereafter debris). After May 9, 2014 no debris is permitted to be placed at the edge of the roads. **Debris must not be placed out for pick up before April 25, 2014.**

The City cannot and will not accept garbage, household trash, appliances of any type, tin, metal or items too heavy for one man to lift. **GRASS or LEAVES IN PLASTIC BAGS WILL NOT BE PICKED UP!**

If you have any questions, please contact the Dept. of Public Works at 627-2582 between 7:00 a.m. and 3:30 p.m.

2014 Cheboygan Harbor Dredging Project

The US Army Corps of Engineers has allocated \$610,000 for dredging of the Cheboygan Harbor. The funding source for the dredging project comes from the Water Resources Reform and Development Act of 2013 which added \$200 million dollars to President Obama's harbors maintenance budget for fiscal year 2014. \$25 million was then allocated to the US Army Corps of Engineers, Detroit District, who is responsible for maintaining the Great Lakes' harbors which includes the Cheboygan Harbor. The additional money created twelve new dredging projects which included the Cheboygan Harbor. US Representative Dan Benishek was co-sponsor of the House Bill (H.R. 3080). The US Army Corps of Engineers projects that the project will begin sometime in July of 2014.
