

# FESTIVAL SQUARE

## Rules and Regulation

1. The following Rules and Regulations will control the use of the facility known as Festival Square. The Rules and Regulations will be modified as necessary by the Main Street DDA Board of Directors and Executive Director
2. No group or individual will use the facility for any purpose without having first completed an application and paid all required fees.
3. None of the cement surfaces will be drilled, bored or otherwise defaced at any time.
4. No signs, banners or other temporary materials will be affixed to any surface without prior approval.
5. All concrete surfaces, posts, walls, etc. shall be left in the same condition as at the time of rental. Any spillages or defacement will be cleaned and/or repaired by the user. If the venue is not returned in original condition, the City of Cheboygan/ Main Street DDA will make such repairs and charge the user.
6. No barbeque pits, pig roasts or similar devices will be operated under the canopy of the pavilion.
7. All refuse, debris or similar material will be bagged and removed by the user at the end of the event or during the event in the case of accumulation. If the user chooses to rent a dumpster, the dumpster must be stored in the city parking lot next to the existing dumpster.
8. Vehicles, including trailers, are not allowed on the concrete under the pavilion.
